Hauling service - \$0.75 / pound within ETHS district
Hauling service - \$0.75 / pound + \$1 / mile outside of district
Hauling service is for business, non-profit organizations and the elderly

Acceptable Payment Methods

Households & businesses need to pay by cash or check at the time of drop-off or hauling.
Credit cards cannot be accepted.

Who can Participant in the Round-Up

Anyone can participate - schools, government, businesses, and residents.

Why Round Up Old Computer Equipment

Computers contain various hazardous toxic materials like lead, cadmium, mercury, and flame retardants. Businesses and institutions are prohibited from discarding these items into normal landfills. Household computers should also be kept out of disposal sites.

Management of Materials Collected and Data Security

Asset Recyclers will process items collected at their facility in Lake Geneva. Hard Dives will be wiped using Department of Defense approved software and or shredded so confidential data cannot be retrieved by someone else.

Program Contact information

For scheduling hauling service or for more information please call Coach Carlson at 847-648-4757.
